

Shaker Charcoal **BLACK**

Add depth and drama to any space and create a bold and modern atmosphere that is anything but boring.

Like white, black is a perfect neutral that can be paired with almost anything. Granite, stone, copper, stainless steel all shine next to Shaker Charcoal Black cabinets.

A perfect cabinet choice for large areas with an abundance of natural lighting.

SOLID BIRCH

Doors styles with a stained finish are made from solid birch wood. The center panel is MDF with birch wood veneer on both sides.

Face frames & drawers for all styles are made with solid birch wood.

SOFT CLOSE

Six way adjustable, soft close hinges; concealed euro style and full extension soft close drawer glides are included on all styles.

HDF

Door styles with a painted finish are made with high density fiber board with an MDF center panel.

METAL BRACKETS

Metal corner brackets for increased cabinet strength and durability. The toe kick is also secured to the cabinet with metal brackets.

CABINET BOXES

Universal cabinet boxes are made using "AA" grade plywood with natural finished birch wood veneer on both sides. 5/8" thick - 25% thicker than cabinets made with 1/2" plywood.

DOVETAIL JOINTS

Easy to assemble - sliding dovetail gable to face frame connection. Finger jointed birch wood drawers are assembled using a through dovetail joint for fast assembly and maximum strength.
